1. RM & FCA authorized off-site hours for 1900-55, invoices, and ordering services/supplies. Please provide 1900-55 electronically to OSC for review when off-site. 1900-55 can be compiled in date ranges when verbally authorized by OSC.
2. T&D Coordinator authorized Off-Site hours to support T&D shipments.
3. Oversee completion of GNBC Office Area construction punch list in coordination with OSC Daly and OSC Lisichenko.
4. Investigate rental on a rock crusher for soil samples as discussed.
5. Prepare for return to the site removal activities.
6. As per OSC discussion, prepare cost estimations for different proposed phases of the removal activities for the remaining fiscal year.
7. Individual crew members may work different positions within a work day depending on need (For example an operator could work as a carpenter one day).

OSC needs to be notified when off-site hours worked & for what specific task. **Extended work hours authorized as needed by the OSC and will be listed in next DWO.**

I certify that the above work is ordered and authorized by the contractor in the performance of the above cited delivery order.

I acknowledge receipt of this work order
